How much you know!

There are only 55 facts to learn in the tables up to 10 x 10. And you know lots of them already.

1) Fill in the answers for the 1x, 2x, 5x and 10x tables.
2) Fill in any answers you can for the 3x and 4x tables.
3) Fill in any other facts you can.
4) How many are left? That is all you still have to learn.
